Hello Parents,

We're looking forward to hosting a great meet at Above the Bar! To help us run the meet smoothly and be good neighbors with the properties around us, PLEASE follow these parking instructions and view this link [Above the Bar Athletics Parking Map](#).

All athlete families, coaches, volunteers, and spectators **must park at [Parr Elementary School](#)** which is right across the street from the gym. Police officers will be on the street assisting with traffic control so that everyone can cross safely. Drop-off directly in front of the gym is permitted for visitors who are unable to comfortably walk. Do not stop or park on the road-way going away from the gym. Our roadway is narrow and we cannot block traffic flow in and out of the RV park.

Parking next to the gym is reserved for judges and disability tagged vehicles.

Absolutely no parking in the RV park (unless you are staying there) or on the grass. We want to stay friendly with our neighbors. There is plenty of parking at the school across the street.

Thank you!

Above the Bar
