Tuition is based on the cheer level and number of hours practiced per week. The following is the tuition schedule for the 2019-2020 competition season:

- Show Team (2 hours/week) \$110 (see separate sheet for Financial Commitment)
- Prep Teams (3 hours) \$145
- Levels 1 – 5 (4 hours/week) \$165 (see separate sheet for Financial Commitment)

The season begins in April 2019 and continues through April 2020. Competitions begin in November. Monthly tuition must be paid through the end of April 2019.

All tuition is due the 1st of each month. You are expected to pay full tuition on time each month. If payment is not received by the 5th of the month, a credit card on file will be charged. If the credit card is denied, the payment (along with a \$10 late fee, if not paid by the 10th) is due by the end of the month. If payment is not made by the 15th of the month, the athlete is subject to dismissal from the program. Competition fees will not be refunded if the athlete is removed due to delinquent accounts.

** The competition and coaches' fees are based on estimations. ATB ATHLETICS CHEER reserves the right to decrease or increase fees once the competition schedule is finalized. If the competition fees are not paid by the deadlines, the cheerleader will not be entered in the competitions. Since this will affect the entire squad's performance, this also runs the risk of dismissal from the program. Fees are based on the total number of team members and are non-refundable.
